*Lynne's Vineyard
Mt Veeder, Napa Valley
Cabernet Sauvignon*

THE WINE

This Cabernet is a contradiction in a bottle. Deep and dark red fruit on the palate, with elevating aromas of fragrant cedar, light graphite earthiness and a tightly toned elegance rare in Cabernet Sauvignon, this wine delivers an impeccably accurate sense of place.

THE VINEYARD

Tucked away in a hillside clearing between swaths of redwood and pine forest on the eastern side of Mt. Veeder in the Mayacamas mountain range, This unspoiled gem of a vineyard features a unique outcropping of pure grey volcanic ash atop rocky iron clay. This minerality translates into the wine with an energy and high-toned fruit character that makes the taster take notice.

WINEMAKER
Russell Bevan
