Napa Valley Cabernet Sauvignon

THE WINE

Our Napa Valley Cabernet Sauvignon blends four incredible single vineyards, two from the valley floor and two from mountain sites. Together they create a beautiful rendition of Cabernet Sauvignon with classic flavors of black cherry, crème de cassis and cedar. The palate is rich and satisfying yet finishes with a juicy texture that keeps you coming back for another sip. This is the Cabernet that everyone at the table is sure to enjoy.

THE VINEYARDS

Our Napa Valley Cabernet Sauvignon blends four incredible vineyards. The Tietjen Vineyard in the heart of the Rutherford Bench brings impeccably farmed Cabernet Sauvignon and subtle, sweet tannin. Cabernet Franc and Merlot from Erba vineyard's many hillside microclimates add complexity while softening the powerful Oakville Cabernet from the 360 Vineyard. Lynne's vineyard on the hillside of Mt. Veeder uplifts the blend with its bold elegance and impossibly toned structure.
