*Purrington Rued Vineyard
Sonoma Coast, Sonoma County
Chardonnay*

THE WINE

The Rued vineyard and Musque clone Chardonnay exude exotic and elevated aromas. This clone has the acrobatic ability to bring out entire spectrums of fruit essences; from Lisbon to Meyer lemon, Granny smith to Honeycrisp apple, and all the way from Nectarine to Apricot. Creamy lees in the barrel add to the textural depth, creating a wine that is mysterious, yet holds nothing back.

THE VINEYARD

Developed by the Rued family in 1969, the Purrington Rued vineyard is nestled on a southwest-facing hillside of Sonoma's Green Valley where it receives a cooling maritime influence from the Pacific. The sedimentary gravel and marine deposit laden soil bring out the best in its unique Musque clone Chardonnay.

WINEMAKER
Russell Bevan

BLEND
100% Chardonnay
Musque Clone
