Napa Valley Red Wine

THE WINE

Plush and voluptuous, this Bordeaux blend won't last long in your glass. A Merlot driven blend that bends the boundaries of what merlot can be with a mouth-filling intensity of plummy red fruit. This Merlot component is plush and opulent, yet has the intensity to match the sturdy Cabernet elements and . The finish echoes with notes of red plum, caramel apple and toffee.

THE VINEYARDS

This decadent effort combines three incredible Napa Valley vineyards. The brute force of our classically powerful Oakville Cabernet Sauvignon from Tench Vineyard is kept in check by the curvaceous nature of our mountain-grown Merlot from the Sugarloaf Mountain Vineyard and topped with just a touch of Erba Vineyard's Cabernet Franc for refinement.
