Pinot Noir*

THE WINE

This single vineyard Pinot Noir is lush and expansive with a refined elegance. The notable balance and silky texture are hallmarks of the drinking pleasure. The lush mid-palate features luscious Rainier Cherry fruit with lifted hibiscus notes and muddled cranberry. A medley of complex, savory notes swirl the palate with blood orange zest, star anise, cardamom, and earl grey tea leading to a minute-long finish.

THE VINEYARD

This select block of the meticulously farmed Silver Eagle Vineyard in the cool rolling hills of Green Valley features Vosne-Romanee Pinot Noir, an unusually expressive clone of Pinot Noir named after the famous vineyard it is purported to be sourced from. Dark, iron clay soil is strewn with schist rocks that seem to add to the minerality of the wine.
