Tench Vineyard Cabernet Sauvignon

THE WINE

Defined by a core of dark, savory fruit wrapped in fine-grained tannins, Tench Vineyard wines exude hedonistic pleasure. The powerful nature of the site leaps to the forefront with each sip. Opening with aromatic notes of blackberry, dark rose, vanilla bean and bay leaf, the palate continues with cassis, Damson plum, cedar, bittersweet chocolate and iron clay minerality. This Cabernet Sauvignon is focused and powerful at first, with a seamless finish, soft but present tannins, and refreshingly balanced acidity that draws you back to indulge another sip.

THE VINEYARD

Tench Vineyard, born from the rocky volcanic soil of Pritchard Hill and the dark grey loam of the valley floor, is located in an Iconic stretch of Eastern Oakville colloquially referred to as Napa Valley's 'Rodeo Drive.' Russell Bevan has worked in this vineyard more than any other winemaker and his experience led to the selection of two blocks of Cabernet Sauvignon that together create a beautiful expression of this remarkable place.

WINEMAKER
Russell Bevan

BLEND
100% Cabernet Sauvignon
clones 4 and 7
