## *Napa Valley Cabernet Sauvignon*

### THE WINE

Our Addax Napa Valley Cabernet Sauvignon brings classic flavors of black cherry, crème de cassis and licorice, along with earthy, savory notes of cedar and maduro cigar wrapper. A bold and beautiful rendition of Cabernet Sauvignon with lush black fruits and a juicy texture that keeps you wanting another sip. This is the type of Cabernet that everyone at the table is sure to enjoy.

### THE VINEYARDS

Our 2020 Cabernet Sauvignon blends five incredible Napa Valley vineyards. Lynne's vineyard on the hillside of Mt. Veeder uplifts the blend with its bold elegance and impossibly toned structure. The Tench vineyard in Oakville imparts this wine's lush dark fruit core, while the Tietjen and Morisoli Vineyards in the heart of the Rutherford Bench add more bold fruit, and the finesse of subtle, sweet tannin. A splash of Merlot from Sugarloaf Mountain vineyard adds complexity to the blend while softening the powerful Cabernets.
