*Sta. Rita Hills  
Pinot Noir*

## THE WINE

Our Sta. Rita Hills Pinot Noir opens with bright aromas of fresh rose, lilac, and wild cherry that flows onto the lush palate with an opulent medley of kirsch liqueur, dried cranberry and espresso crema. The long and seamless finish echoes the floral aromas with lifted notes of cardamom and burnt orange peel.

## THE VINEYARD

Sourced from selected blocks of the south facing upper slopes of Drum Canyon Vineyard in the northern section of Sta. Rita Hills. These hills feature rocky red clay intermixed with marine sediments. Cool ocean breezes run through the West-East Santa Ynez Valley from the Pacific just a few miles to the west. This marine air cools off these sunny slopes and creates a rich and bold Pinot Noir with brisk yet balancing acidity.

WINEMAKER  
Russell Bevan

BLEND  
100% Pinot Noir  
828, 115, and Swan clones
