*5 Wells Vineyard  
Sonoma Coast, Sonoma County  
Pinot Noir*

## THE WINE

This single vineyard pinot noir is all at once lush and opulent with a refined elegance. The notable balance and silky texture are a hallmark of the drinking pleasure. The lush mid-palate features Rainier cherry fruit with lifted hibiscus notes. A medley of complex, savory notes swirl the palate with blood orange zest, star anise, cardamom, and Earl Grey tea.

## THE VINEYARD

The 5 Wells vineyard sits at the mouth of the Petaluma gap on the border of Russian River Valley. This vineyard produces small clusters with a concentrated intensity that only a special site can deliver. Strong coastal wind combined with sandy post-marine soils stress the vines resulting in a unique and expressive pinot noir.
