Hudson Vineyard Carneros, Napa Valley Chardonnay

THE WINE

Classic Carneros style with layers of citrus flavors, Yuzu, Meyer lemon and kumquat. A lush textured Chardonnay that is very refreshing with mouthwatering acidity. The palate adds flavors of green apple tart with cinnamon that flow on to an elegant finish accented with white flowers and caramelized ginger.

THE VINEYARD

What attracts us to this vineyard is the rich history of Lee Hudson being one of the preeminent and pioneering chardonnay growers in the new world. The vineyard is planted in southern Napa where the rolling hills form a micro-valley of their own. These vines are graced by both the Napa heat as well as cool ocean-born breezes from the San Francisco bay.

*"...satiny and beautifully balanced, with just enough tension
and a soft-spoken, multilayered finish."*

96 Points - LISA PERROTTI-BROWN - THE WINE INDEPENDENT
