*Radian Vineyard
Sta. Rita Hills
Pinot Noir*

THE WINE

This barrel selection is our first Radian designated single vineyard Pinot Noir. On the nose, a bold medley of red fruits featuring cranberry, cherry and pomegranate. The velvety and smooth-textured mid-palate is reminiscent of a fine Kirsch liqueur. An extended, fragrant finish is accentuated with violets and sassafras.

THE VINEYARD

The Radian Vineyard lies in a rugged section of the Sta. Rita Hills, stretching over 100 acres and reaching up to 700ft in elevation. These hills feature pulverized diatomaceous earth with marine sediments and inclusions of chert. These soils offer good drainage and heat retention, an aspect critical to the production of ripe fruit at high altitude with cold, whipping winds. The 115, 667, and 777 pinot noir clones planted at Radian create what is known as the 'Dijon Trifecta.'

WINEMAKER
Russell Bevan

BLEND
100% Pinot Noir
667, 777 & 115 Clones

PRODUCTION
175 cases

SOURCE
Radian Vineyard

AGING
18 months in new French oak
